

# UNIVERSITY OF CALIFORNIA, SANTA CRUZ

## PHYSICS DEPARTMENT

### Experimental Condensed Matter Physics Assistant Professor

The [Physics Department](#) of the University of California, Santa Cruz, invites applications for a tenure track position in Experimental Condensed Matter Physics, including but not limited to the areas of Materials Science or Biophysics. The successful candidate will be expected to build a strong research group, supervise graduate students, teach at both the undergraduate and graduate levels, and interact strongly with other science and engineering faculty. Colleagues who can contribute to the diversity and excellence of the academic community through their research, teaching, service, and/or leadership are particularly encouraged to apply.

**RANK & SALARY:** Assistant Professor, step and salary commensurate with qualifications and experience

**MINIMUM QUALIFICATIONS:** Ph.D. or equivalent in Physics or a closely related field; postdoctoral or equivalent research experience; a demonstrated record of research excellence; and demonstrated potential for teaching at the university level -- both undergraduate and graduate.

**POSITION AVAILABLE:** Fall 2008

**TO APPLY:** Send a curriculum vitae and a statement of research interests to the address below. Candidates should also arrange for three or more letters of reference\* evaluating the candidate's scholarly contributions, teaching, and other professional accomplishments to be sent directly to this address. Applicants are invited to submit a statement addressing their contributions to diversity through their research, service and/or teaching.

**Electronic submissions are preferred to [schuster@ucsc.edu](mailto:schuster@ucsc.edu)**, or send materials by post to:

Professor Sue Carter  
c/o Ms. Sarah Schuster  
Physics Department  
University of California  
Santa Cruz, CA 95064 USA

**Please refer to position #146-08 in all correspondence.**

*\*All letters will be treated as confidential documents; please direct your references to UCSC's confidentiality statement at [http://www2.ucsc.edu/ahr/academic\\_policies\\_and\\_procedures/cappm/confstm.htm](http://www2.ucsc.edu/ahr/academic_policies_and_procedures/cappm/confstm.htm)*

**CLOSING DATE:** This position is open until filled, with initial screening beginning on December 15, 2007. To ensure full consideration, all materials must be received by that date. Late submissions may be considered.

**For more information about the Physics Department, please visit <http://physics.ucsc.edu/>**

*UC Santa Cruz faculty make significant contributions to the body of research that has earned the University of California the ranking as the foremost public higher education institution in the world. In the process, our faculty demonstrate that cutting-edge research, excellent teaching and outstanding service are mutually supportive.*

**The University of California, Santa Cruz is an Affirmative Action/Equal Employment Opportunity Employer, committed to excellence through diversity. We strive to establish a climate that welcomes, celebrates, and promotes respect for the contributions of all students and employees.**

Inquiries regarding the University's equal employment opportunity policies may be directed to: Equal Employment Opportunity/Affirmative Action Office at the University of California, Santa Cruz, CA 95064; (831) 459-2686. Under Federal law, the University of California may employ only individuals who are legally able to work in the United States as established by providing documents as specified in the Immigration Reform and Control Act of 1986.

If you need assistance due to a disability please contact the Academic Human Resources Office at 499 Clark Kerr Hall (831) 459-4300. This position description is available in alternate formats, which may be requested from Academic Human Resources at (831) 459-4300.
