Re: Revised 2012-13 Academic Student Employee Salary Scales

Dear Colleagues:

In accordance with Article 29, Wages, of the contractual agreement between the UAW union and the University of California, the salary rates for the Academic Student Employee (ASE) unit have been increased by two percent effective October 1, 2012.

In addition to the titles included in the ASE bargaining unit at UCSC (Teaching Assistants, Associates In, and Teaching Fellows), this two percent increase will also apply to all Reader and Tutor titles – both student and non-student titles – in accordance with campus practice.

The relevant [Academic Salary Scales](#) have been revised and are available online at the Academic Personnel Office web site. Units will be informed once the PPS schedule for implementing this increase has been determined. Questions may be directed to Cecilia De La Garza, Academic Personnel, at cdelagar@ucsc.edu.

Sincerely,

Pamela G. Peterson
