

2017-18 Academic Salary Program Effective July 1, 2017

Implementation Guidelines:

1. On-scale employees will move to the new scale rates as determined by UCOP (approximately 1.5%) effective July 1, 2017.
2. For off-scale employees, the on-scale component of salary will be adjusted to the new scale rate. The existing off-scale component is NOT subject to the 1.5% increase.
3. For above-scale employees, the portion of the salary up to the campus salary limit will be adjusted to the new campus limit. The remaining portion of the salary is NOT subject to the 1.5% increase.
4. All Senate faculty are eligible to receive an additional allocation of off-scale salary. The off-scale allocations are calculated based on 2.1% of the 16-17 scale rate for each step, rounded to the nearest \$100 (see [off-scale allocation chart](#)). Each individual receives the allocation associated with their 7/1/17 rank and step. Above-scale senate faculty salaries will likewise be increased by an additional 2.1% of the 16-17 campus salary limit.
5. Both the 1.5% scale increase and the off-scale allocation will be applied to summer research salary rates.
6. If an eligible employee has a merit/promotion action effective 7/1/17, the merit/promotion is applied before the 2017-18 salary increases.
7. New hires are eligible for the salary program unless alternate terms were specified in writing at the time of hire.
8. The salary increases will be implemented in PPS and Div Data by APO and the Payroll Office, except where noted in the chart below.
