

June 2017

UCSC – CAMPUS STANDARDS HANDBOOK

TABLE OF CONTENTS

Division 1 - General Requirements - Specifications Guidelines

Division 2 - Existing Conditions - Specifications Guidelines

Division 3 - Concrete - Specifications Guidelines

Division 4 - Masonry - Specifications Guidelines

Division 5 - Metals - Specifications Guidelines

Division 6 - Wood, Plastics, and Composites - Specifications Guidelines

Division 7 - Thermal and Moisture Protection - Specifications Guidelines

Division 8 - Openings - Specifications Guidelines

Division 9 - Finishes - Specifications Guidelines

Division 10 - Specialties - Specifications Guidelines

Division 11 - Equipment - Specifications Guidelines

Division 12 - Furnishings - Specifications Guidelines

Division 13 - Special Construction - Specifications Guidelines

Division 14 - Conveying Equipment - Specifications Guidelines

Division 21 - Fire Suppression - Specifications Guidelines

Division 22 - Plumbing - Specifications Guidelines

Division 23 - Heating, Ventilating, and Air Conditioning (HVAC) - Specifications Guidelines

Division 25 - Integrated Automation - Specifications Guidelines

Division 26 - Electrical - Specifications Guidelines

Division 27 - Communications - Specifications Guidelines

Division 28 - Electronic Safety and Security - Specifications Guidelines

Standard Details - Division 1 to 16

June 2017

- Appendix A Recommended Native Plants, Non-Native Plants and Grass Seed Mixtures (5/1/98)
- Appendix B Housing Guidelines (2/15/17)
- Appendix C Post-Construction Stormwater Management Requirements (3/1/16)
- Appendix D Erosion and Sediment Control Standards for Projects Under One Acre (7/9/12)
- Appendix E Best Management Practices for Construction Projects less than 1 Acre in area involving soil disturbance greater than 50 cubic yards (9/20/11)
- Appendix F Native Soil Assessment for Small Infiltration - Based Stormwater Control Measures (12/1/13)
- Appendix G Gender Inclusive Facilities Guidelines (03/16/16)
- Appendix H Standard Plaster Installation and Details – Standard (12/05/14)
- Appendix I Standard Plaster Installation and Details – Severe Weather Exposure (02/21/14)
