Please answer the following questions fully, completely, and honestly.

Do you have any volunteer experience? If yes, please describe your previous experiences.

How will these experiences benefit you as a SVC intern?

Do you consider yourself a leader? Why or why not?

Do you consider yourself a creative person?

Why do you want to have an internship with the Student Volunteer Center?

Are you comfortable using most computer programs (Excel, Word, Publisher, Adobe, Photoshop, web design). Note that these are not all required.

What do plan to do after you graduate?

Is there anything else that you would like us to know when considering your application?

***Note: This internship is NP/P, if you have been put on academic probation in the past quarter, we unfortunately cannot accept your application. You must stay in good academic standing while an intern if accepted or forfeit the internship.**
